- All floats should incorporate the Parade Theme where possible.

- All entrants **MUST** remain with their group and **NOT** infringe on another boundary of a parade participant. This is important. *Failure to incorporate this plan will expel your group from participating in future Elora Lion Santa Claus Parades.

- This is a night parade and for safety reasons you must be visible with lights. Therefore you agree to have your float that will be fully lit. No exceptions.

- Participants must ride on the inside of the float. No one is to sit on the edge of the float trailers with their feet dangling over the side. It is strongly recommended that children be securely seated and supervised on the floats.

- All animals in the parade **MUST** have a "Poop Scooper Person" and will follow behind your entry to ensure the road is cleaned up immediately. As we have hundreds of people that are participating and keeping all participants safety. Failure to incorporate this plan will expel your group from participating in future Elora Lion Santa Claus Parades.

- Your group agrees to not bail out of the actual parade (during the event) at any point unless there is a medical emergency. A full expectation of your organization to start with the parade and complete the route by Bissell Park is in place. No excuses. Failure to incorporate this plan will expel your group from participating in future Elora Lion Santa Claus Parades.

- Best effort to costume all participants (including drivers) in festive colours pertaining to parade themes.

- Mingling with viewers kept to a minimum in order to keep the parade properly spaced. Please advise your participants of the importance of pacing to reduce gaps.
